

Hello!
Welcome!

Today we will learn about different materials

Different objects → **different materials**

What's this?

It's an
elastic band.

What's this?

It's a chair.

What's this?

It's a key.

What's this?

It's a light bulb.

What's this?

It's a toy brick.

What's this?

It's a teddy bear.

Can you think of
names of materials?

Materials

Materials

A toy brick is made of
plastic.

Materials

A light bulb is made of
glass.

Materials

A chair is made of
wood.

Materials

A key is made of
metal.

Materials

An elastic band is
made of
rubber.

Materials

A teddy bear is made of
fabric.

Plastic

Metal

Fabric

Materials

Wood

Rubber

Glass

Different objects → **different materials**

Let's write!

Materials

Complete the spaces. Use the words from the box.

Objects words	Materials words
toy brick	fabric
chair	rubber
teddy bear	glass
key	metal
light bulb	wood
elastic	plastic

Different objects are made of different materials.

A		light bulb	is made of	glass
				
				
				
				
An				

Let's guess!!
